

Declaration of Executive Pay - September 2020

Section 2.32 of the Academies Financial Handbook requires that the trust publishes the number of employees whose benefits exceeds £100k, in £10k bandings.

Band	Number of Staff
£100,000 - £110,000	0
£110,000 - £120,000	1

The table above reflects the total number of staff within our Trust who receive more than £100,000 in benefits.

It should be noted that the qualifying position is a dual role and the total benefit received is for the performance of both elements of their post. Costs are apportioned to an individual school for the performance of headteacher duties, and to the Trust for performance of executive duties; each apportionment, on its own, is significantly less than the £100,000 threshold.
